CUT OUT, FILL IN AND STAPLE ALL TOGETHER ON THE LEFT EDGE WITH 2 STAPLES.

The image displays three identical coupon templates stacked vertically. Each coupon is set against a light gray grid background and is enclosed in a teal border. On the left side of the grid, there is a vertical strip with a teal and white chevron pattern. Each coupon template features a teal banner at the top with the text "THIS COUPON ENTITLES YOU TO..." in white, flanked by double arrowheads. Below the banner, there is a horizontal dashed line with a teal heart at each end, intended for a recipient's name. The entire page is framed by a teal border, and there are small horizontal lines on the left and right sides of the page, likely indicating where to fold or staple.
